ATHLETIC AWARDS

The Board of Education believes that interscholastic sports are an important part of the school program and will recognize the achievements of pupils who give many hours of their time in the district athletic program.

Individual athletic achievement will be recognized by the award of a Varsity Letter to all student athletes who qualify. All members of a championship team or group in interscholastic competition will be recognized by receiving a plaque with a picture of their team on the plaque as a recognition of their teams accomplishments.

Community groups and individuals may recognize the athletic achievements of pupils provided that the award and the criteria by which its recipient is selected have been approved by the Superintendent.

The Superintendent shall develop procedures for the recognition of pupil athletes that ensure the equitable selection of award recipients, the designation of appropriate awards, and the arrangement of suitable presentation ceremonies.

Individual athletic achievement will be recognized providing the student athlete has meet the minimum participation requirements as stated in Regulation 5450 Athletic Awards.

Awards will be given to members of the Varsity, Junior Varsity and Freshman teams as indicated in Regulation 5450 Part B, 1 through 8.
