5820 STUDENT COUNCIL

Student Council meetings are scheduled weekly on a rotating basis, period 1, 2, 3, etc. Council representatives are excused from class to attend the meeting. However, the representative has the responsibility of checking with his or her teacher and is responsible for any work missed during that period. The teacher may refuse permission to the representative to attend the meeting. It is imperative that the representative realize that school work comes first. If a representative is unable to attend a meeting, it is his or her responsibility to inform the Student Council Advisor and/or one of the Student Council officers. Student Council representatives include the Student Council officers, elected representatives, and Class Presidents.

Any student wishing to attend a council meeting is welcome. The student must first get permission from his or her teacher and has the same responsibility as a representative for work missed during class time.
