Grants from Private Sources

6160 GRANTS FROM PRIVATE SOURCES

The Board of Education encourages and will accept funding from private sources, in accordance with Policy No. 6160. The following regulations govern the development and processing of private funding proposals.

A. Sources

The Assistant Superintendent shall research sources of private funding through individuals and foundations.

B. Approval

Any proposal for private funding must be submitted to the Superintendent before it is formally submitted Board of Education for approval. The rationale for the proposal must set forth the objectives for the funding, the proposed program statement, and the means by which the objectives will be evaluated.

Adopted: 18 December 1995
