B. Plans

1. Electronic lesson plans will be kept by each teacher in the department "V Drive" as a master plan for instruction in the classroom. In addition, the plan will permit administrators to monitor classroom instruction and will give direction to substitutes.
2. Plans will include:
 - a. A seating chart of pupils in the classroom,
 - b. Daily class schedules, and
 - c. The names of pupils receiving remedial instruction or removed from the classroom for specialized instruction during the school day.
3. Plan books will be submitted to the Principal or subject supervisor every week for review.
4. Plans must be available for use by a substitute in an unforeseen situation.
5. Supervisors will verify that plans have been stored and are archived at the end of the school year.

C. Substitute Lesson Plans

Each teacher shall submit a substitute folder to the Principal or Assistant Principal that contains the following:

6. Procedure for dismissal of each class and dismissal at the end of the day;
7. Special subjects schedule-art, music, physical education, students leaving for instrumental lessons and remedial reading;
8. Fire drill forms;
9. Seating charts;
10. Room rules and regulations;
11. Names of students with special problems, such as physical disabilities.

Substitute folders should be reviewed and updated periodically. Special plans in the substitute folder will only be necessary should the teacher want a substitute not to follow their regular lesson plans. To help the substitute and to provide meaningful work for the children when they are absent, prepare a folder of subject related seatwork activities or ideas which a substitute can utilize if needed for each class assignment. Every attempt should be made to have the substitute follow the teachers' plans so that the children's education will not be interrupted during the teacher's absence, particularly if it is an extended absence.
