8760 STUDENT ACCIDENT INSURANCE

This program is written on an excess medical basis' which means that in the event of an accident the parent/guardian would submit the bills to their individual health insurance carrier, i.e. Blue Cross/Blue Shield, Prudential etc. and whatever the pay is primary. Anything that is not paid by personal coverage would be submitted to the school's insurance carrier and the balance would be assumed on a reasonable and customary basis. If parent/guardian has no individual health insurance, all of the bills would be submitted to the school's carrier to be considered on a reasonable and customary basis.

Additional twenty four hour accident coverage, dental, student sickness plan or life insurance is available by contacting the school nurse or the school's insurance agent of record.

Parents/guardians are informed through a letter issued through homeroom from the Board Secretary/Business Administrator.
