

Dear Parents & Guardians:

The Cafeteria program at High Point Regional High School offers a pre-paid Point of Sale (POS) System. Instead of paying cash, you may deposit cash or checks directly into your student's account!

Cash will always be accepted in the cafeteria, but we encourage parents to take advantage of the convenience of pre-paying your student's lunch. Prepaid funds will be deposited safely in trust to the High Point Regional High School Board of Education account. At this time the POS system may not be used for any non-cafeteria purchases.

Deposits may be sent directly to the school cafeteria. Checks or Money Orders should be made payable to: **High Point Regional High School**. Please complete and return the deposit form below with your payment in an envelope marked "LUNCH PROGRAM." Although it is preferred that all students use the new debit (POS) system, **cash will be accepted at all registers. Students are not allowed to "charge" lunch or other cafeteria purchases.**

Your student may access his/her account by using their student identification number at all cash registers. If your child is approved for free or reduced lunch you may also submit cash, check, or money order and applicable records remain confidential. There are no minimum or maximum deposit requirements.

Parents may also prepay cafeteria purchases on-line. Log on to www.payforit.net, select "sign up" option from the menu, and the screens will guide you through the process to establish your account and make deposits. You will need your student's ID number. Internet convenience and transaction fees are applicable.

Any fund balances remaining in your child's account at the end of the school year will be "rolled over" to the following year or refunded upon graduation. If you have any questions, please contact the Food Service Director for Maschio's Food Services at 973-875-3101 Ext 1246, or visit the school's web site (http://www.hpregional.org/hp_info/cafeteria/cafeteria.html) for information about our food service program, lunch menu, and other valuable information for parents.
