

Wildcat Discovery Presents

***K'Nex Amusement
Park Construction
Grades 3-8***

Construct a mind boggling array of amusement park rides and other motorized contraptions with our incredible K'nex collection! Put together an 8 foot long roller coaster, solar powered carousel, 3 foot tall ferris wheel, 3100 piece big ball factory, and many other projects. Construct a vehicle and compete in our gravity racer competition. This program is sure to bring out the engineer in you.

&

***Cooking With
Science
Grades K to 3***

Use ordinary kitchen supplies to create some tasty treats and sloppy solutions! Put the "yeast beasties" to work for you raising dough and harness the power of the polymer to make some gooey gak. Culture yogurt, churn butter, and mix up some unique tasting chewing gum using sap from a tree! All uneaten projects will be taken home at the end of the program.

Where: High Point Regional High School

When: December 27 & 28 (Thursday and Friday)

Time: 9am to 3pm

Extended care available from 8am to 9am and 3pm to 4pm at no additional charge

Fee: Postmarked by December 7: \$70 per 2 day program/ \$40 per single day*

Postmarked after December 7: \$75 per 2 day program/ \$40 per single

10% Discount for siblings

Bring: Lunch and a snack (no food is available for purchase)

** A portion of the proceeds from both programs will go to benefit the HPRHS Science Department & Wildcat Discovery (a summer science adventure for kids entering grades 1 to 9).*
