

Wildcat Discovery Presents

Game Time!

Challenge your mind!

Grades 3-8*

Compete against other participants in our 2 day marathon of Risk, Chess, Stratego, Ping Pong, and other games. Strain your brain to decipher puzzles of increasing complexity and to devise your own mental challenges for others. Direct a partner in a life size game of tanks and commanders in our gym.

&

Old Tyme

Science!

Grades K-3*

Learn about the interesting applications of science used by early settlers through a series of hands on activities. Projects may include paper making, candle dipping, soap making, felting, ice cream making, and formulating our own ink! Participants will bring home all completed projects.

**Students in 3rd grade may attend either program. Please call if assistance is needed in determining the most appropriate placement.*
