Dear Parent/Guardian:

In an effort to provide our students with the opportunity to measure their college-readiness, qualify for National Merit Scholarship consideration, and prepare them for other college-entrance exams (SAT, ACT), more than 650 students took the PSAT at High Point on October 11, 2017.

Guidance counselors will share score reports with students over the next few weeks. However, to unlock the additional resources and data contained in the score report, students and parents are encouraged to create a CollegeBoard account and log in to view the report. When you view PSAT scores from College Board online you will also have access to:

- **ACCESS SCORES:** Go to <https://studentscores.collegeboard.org> to view student performance reports which highlight strengths and weaknesses.
- **UNDERSTANDING THE SCORE REPORT:** You may also view this helpful Youtube video about understanding the score report. <https://www.youtube.com/watch?v=5i-bOhSzyig>
- **KHAN ACADEMY:** Students can connect their score to Khan Academy for free personalized SAT practice. Visit [www.satpractice.org](http://www.satpractice.org) for more information.
- **AP POTENTIAL:** Website provides a list of AP courses in which a specific student is likely to excel.
- **ROADTRIP NATION EDUCATION:** This is an exciting interactive tool which helps students to explore career pathways. Visit <https://collegeboard.roadtripnation.com/> for more information.
- **BIG FUTURE:** This website helps students research college majors and access information regarding financial assistance. Visit <https://bigfuture.collegeboard.org/> for more information.

High Point is committed to providing all students with the proper support and opportunities necessary to pursue all of their options after graduation. We are hopeful that these scores and the additional online resources will help your child to identify their strengths and weaknesses, and to improve their college and career readiness.

If you have any questions please do not hesitate to contact me.

Sincerely,

  
Seamus W. Campbell
