

Community Service:

High Point Regional High School is proud of its great tradition of community service. Over the past 50 years, our school has served as a centerpiece within its community, and it has worked hard to connect students with opportunities to share their talents and energies. After considerable deliberation and consultation with members of the community, High Point has revised its community service requirement. Starting with the graduating Class of 2018 students will no longer need to provide specific documentation of having completed 50 hours of service. Rather, service learning will be enhanced within our curriculum and we will seek to grow this tradition through recognition and promotion, rather than through a mandated process of counting hours. We are hopeful that this response to stakeholder input will result in an even stronger, more authentic legacy of service.

Students may still wish to have service hours documented for National Honor Society, scholarships, college applications, etc. Students who wish to have their community service hours documented in Genesis should fill out the Community Service Form (found here on website as well as in the Guidance office). These forms can be turned into the student's counselor for documentation.

High Point Regional High School Community Service Learning Hours Documentation Form

This form is invalid without the signatures of the student and the site contact. If you return to a site multiple times, you may use this form for up to five visits. Otherwise, use one form for each time you participate in a community service opportunity. Save this form in a safe spot and turn it into your guidance counselor upon completion.
