

## CONCURRENT ENROLLMENT - STEM

High Point has partnered with Sussex County Community College (SCCC), the New Jersey Institute of Technology (NJIT), Ramapo College of New Jersey, and Kean University to offer concurrent enrollment courses for students in select courses. Students who enroll in courses that are affiliated with the aforementioned colleges/universities are responsible for tuition if they choose to receive college credit for the course. Our teachers have been approved by the respective colleges to teach these courses, and students do not have to attend these colleges in order to have the credits count towards a future degree. College credits earned through this program are listed on an official college transcript and may be applied toward an undergraduate degree at the affiliated institution or other colleges or universities as per their policies. Students should consult the universities they plan to attend to determine the applicability of specific courses to their program(s) of study.

CONCURRENT ENROLLMENT COURSES IN STEM					
HP Course	Grade	Affiliation	Course Name/# Credits	Tuition*	Notes
Accounting 1/Accounting 2	10-12	Ramapo	ACCT221 - Principles of Financial Accounting - <b>4 credits</b>	\$124/Credit	Students must take both Accounting 1 and 2 at HP to earn credit
Anatomy & Physiology	11-12	SCCC	BIOS103 & 104 - Anatomy and Physiology I and II - 8 credits	\$450	This two semester college course is organized locally as a full year course.
AP Calculus AB	11-12	NJIT	MATH 111 - Calculus 1 - <b>4 credits</b>	\$150/credit	
AP Calculus BC	12	NJIT	MATH 112 - Calculus II - <b>4 credits</b>	\$150/credit	
AP Microeconomics (2023-2024)	11-12	SCCC	ECON 102 - Microeconomics - 3 credits	\$225	
AP Physics 1	11-12	SCCC	PHYS110 - Physics - 3 credits	\$225	
AP Physics 2	12	SCCC	PHYS112 - Physics II - 3 credits	\$225	
AP Physics C	12	SCCC	PHYS120 - Physics w. Calculus - 3 credits	\$225	
AP Statistics	11-12	NJIT	MATH105-Elementary Probability and Stats - 3 credits	\$150/Credit	Only students in Grades 11-12 are eligible.
CADD 3: Engineering Graphics	11-12	NJIT	MET103 - Engineering Graphics and Intro to CAD - 2 credits	\$150/Credit	
CADD 4: Advanced Engineering Graphics	12	NJIT	MET105 - Applied Computer Aided Design-2 credits	\$150/Credit	
Calculus 3	12	NJIT	MATH211 - Calculus III A - 3 credits	\$150/Credit	
Calculus CP-A	12	SCCC	MATH113-Calculus - 3 credits	\$225	
Construction Man.	11	SCCC	BCST101 - Intro to Building Construction	\$225	
Adv. Constr./Man.	12	SCCC	BCST103-Construction Safety, Tools, and Equipment	\$225	
Environmental Systems CP-A	11-12	Ramapo	ENV103 - Intro. to Environmental Science - <b>4 credits</b>	\$124/Credit	
Forensics	11-12	SCCC	CHEM107 - Forensic Science - 3 credits	\$225	
Introduction to Business	9-12	SCCC	BUSA101 - Introduction to Business	\$225	*Prereq. for BUSA220 - Marketing 1
Marketing 1	9-12	SCCC	BUSA220 - Principles of Marketing	\$225	*Students must earn credit in Intro to Business as a prerequisite
Media Technology 3 or 4	12	SCCC	COMMS130 - TV Production - 3 credits	\$225	
Pre-Calculus Honors	11-12	NJIT	MATH110 - University Mathematics B II - <b>4 credits</b>	\$150/credit	Only students in Grades 11-12 are eligible.
Statistics CP-A	11-12	SCCC	MATH108 - 3 credits	\$225	
Web Page Design 1	9-12	SCCC	COMMS155 - Web Site Development - 3	\$225	

## **CONCURRENT ENROLLMENT- Humanities**

High Point has partnered with Sussex County Community College (SCCC), the New Jersey Institute of Technology (NJIT), Ramapo College of New Jersey, Rowan University, and Kean University to offer concurrent enrollment courses for students in select courses. Students who enroll in courses that are affiliated with the aforementioned colleges/universities are responsible for tuition if they choose to receive college credit for the course. Our teachers have been approved by the respective colleges to teach these courses, and students do not have to attend these colleges in order to have the credits count towards a future degree. College credits earned through this program are listed on an official college transcript and may be applied toward an undergraduate degree at the affiliated institution or other colleges or universities as per their policies. Students should consult the universities they plan to attend to determine the applicability of specific courses to their program(s) of study.

<b>CONCURRENT ENROLLMENT COURSES IN HUMANITIES</b>				
<b>HP Course</b>	<b>Grade</b>	<b>Affiliation</b>	<b>Course Name/# Credits</b>	<b>Tuition*</b>
Psychology CP-A	10-12	SCCC	PYSC101 - Intro. to Psychology - 3 credits	\$225
AP Psychology	11-12	SCCC	PYSC101 - Intro. to Psychology - 3 credits	\$225
Principles of Sociology	10-12	SCCC	SOCA101 - Intro. to Sociology - 3 credits	\$225
AP U.S. Government & Politics	10-12	SCCC	POLS105 - American Government - 3 credits	\$225

## **INDUSTRY CERTIFICATIONS**

High Point Regional High School provides students with the opportunity to earn Nationally Recognized Industry Certifications in a variety of courses. Students are provided with extensive in class training and the convenience of taking the assessments on-campus. High Point, through feedback with industry leaders, our staff, and our alumni, prioritizes the importance of our students graduating with these important credentials.

High Point courses in this Program of Study which provide an opportunity for students to earn Industry Certification will be represented with the logo pictured to the right.

<b>INDUSTRY CERTIFICATIONS</b>	
<b>Certification</b>	<b>High Point Course</b>
Microsoft Technology Associate	AP Computer Science Principles
Microsoft Office	Computer Concepts and Applications
Video Production 1	Media Technology 2
Video Production 2	Media Technology 3
Television Broadcasting 1 & 2	Media Technology 4
Autodesk Certified User - Inventor	Engineering Graphics
Autodesk Certified Professional - Inventor	Advanced Engineering Graphics
Autodesk Certified User-Revit	Architecture 3
Autodesk Certified Professional - Revit	Architecture 4
Unity	Video Game Design
OSHA	Advanced Construction and Manufacturing
