Re: Title I: Federally Funded Services for At-Risk Students
Notice of Public Meeting

Date: September 20, 2019

All members of the High Point Regional High School community are invited to attend an open, public meeting regarding the use of *Title I* funding to provide support for at-risk students. The meeting will take place on **Tuesday, October 15, 2019 from 6:00-6:30 p.m. in High Point's media center.**

Since 1965 the federal government has provided financial support specifically designated for schools to provide assistance to at-risk students. This source of financial assistance is commonly known as *Title I* funding, and it is currently allocated in accordance with the *Every Student Succeeds Act (ESSA)* which was signed into law by President Obama on December 10, 2015.

High Point receives federal funding through the *ESSA* which it utilizes to provide a host of academic supports and enhancements to its curriculum. As such, we are required to host an informative meeting to provide the public with information regarding the use of this funding.

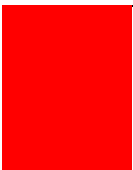

Please join me on October 15 to learn more about the many ways High Point provides academic, social and emotional support to at-risk students. In addition to this meeting, please feel free to contact me at any time if you would like additional information.

Sincerely,

A handwritten signature in black ink that reads "Seamus Campbell".

Seamus Campbell
