November 5, 2019

Dear Parents:

High Point is looking forward to hosting students from Montague during next week's Eighth-Grade Tours! These tours allow prospective students to meet our staff and students, receive a comprehensive presentation regarding our curriculum, and tour our state-of-the-art facilities.

Our schedule is to host prospective students from Montague at High Point on **Thursday, November 14, 2019 from 9:30 a.m. to 11:15 a.m.** High Point will be providing bussing to and from High Point Regional High School and Montague Township School. Parents are also welcome to provide their own transportation. We are looking forward to hosting all interested students who are currently in eighth grade.

If your student is unable to attend this event, we are always ready and willing to meet with you for an individualized tour. Please contact me to discuss any questions you may have regarding this event, or about High Point's incredible academic, athletic, and extra-curricular offerings.

Please check out this video for a preview of the exciting day we have planned for prospective members of **High Point's Class of 2024**:

October 16, 2019

Dear Montague Community:

I hope this letter finds you well and that your family enjoyed a successful start to the 2019-20 school year.

High Point Regional High School remains unwavering in its complete and enthusiastic commitment to the send-receive agreement between the Montague Township School District and High Point Regional High School. It is our expectation and our plan for this agreement to remain in effect long-term, with no anticipation of the send-receive agreement ending in the future.

High Point is enjoying a great year and we are thrilled to have more than 80 students from Montague call High Point home this year! We care for, challenge and support EVERY student in our school. Our support system for students struggling both academically, as well as with social and emotional issues, is thorough and extensive.

I invite any parent to contact High Point to discuss any questions you may have regarding your student's education, or about High Point's incredible academic, athletic, and extra-curricular offerings. Please contact us if you would like to meet to discuss any concerns related to our world-class school.

Although I hope you find this brief message reassuring, I believe you will find the message our staff and students express in the enclosed videos inspiring! Please click on a few clips and enjoy the incredible, dynamic, nurturing school which is High Point!

Sincerely,

Scott D. Ripley, Ed.D.
