0162. NOTICE OF BOARD MEETINGS

The Board of Education will give notice of all meetings in accordance with law.

Public Notice

The Board Secretary shall notify, no later than forty-eight hours in advance of the meeting, two newspapers designated by the Board, and filed with the clerk of each municipality making up this regional district, except that forty-eight hour notice is not required where the time, date, and location of the meeting has been published in the annual list of meetings approved by the Board in accordance with the law. Forty-eight hour notice shall also be posted in the Board of Education office.

Upon the affirmative vote of three-quarters of the members present, the Board may meet in the absence of adequate notice, provided that discussion and action is limited to specific and unforeseen or unforeseeable matters of such urgency and importance that delay for the provision of notice would be likely to result in substantial harm to the public interest and that notice is given as soon as possible after the call of the meeting in accordance with provisions of the law and this bylaw.

Personal Notice of Meeting

The Board shall provide personal notice in writing to an adult student, the parent of a minor student, an employee or officer of this district, or a prospective employee whose privacy may be invaded or whose employment may be affected by the Board's deliberations in private session. Such personal notice will include the date and time of the private meeting, the subject or subjects scheduled for discussion at the private meeting, and the right of the individual given notice to request that the discussions be conducted at the public meeting. Personal notice will be given no less than 48 hours in advance of the private meeting.

A written request for public discussion must be signed by the person making the request and must be submitted to the Board Secretary prior to the commencement of the meeting. Any such properly submitted request will be

granted. In the event that one or more, but fewer than all, of the group of persons whose employment will be discussed, request a public meeting, the discussion regarding the person or persons who have submitted the request will be served from the rest and will be conducted publicly.

A discussion held in public by reason of the written request of an individual will be conducted at the regularly scheduled meeting for which annual notice has been given or at a meeting for which adequate public notice has been given in accordance with the law.

Nothing in this bylaw will permit an employee to request, or the Board to grant the public discussion of tenure charges or permit the public disclosure of information regarding a disabled pupil.
