

Underclassmen

School Pictures

Underclassmen pictures will be taken by SchoolCraft Studios during the second week of school during physical education classes. Photos will be taken in the cafeteria. As we run on a drop/block schedule, not all students will have phys ed each day. Please see the schedule below:

Thursday 9/10	Cohort A	Periods 5, 6, 7 & 8
Friday 9/11	Cohort B	Periods 5, 6, 7 & 8
Monday 9/14	Cohort A	Periods 1, 2, 3 & 4
Tuesday 9/15	Cohort B	Periods 1, 2, 3 & 4

If your student is on a medical leave from physical education, they should go to the cafeteria for their photo during that period.

Underclassmen Picture Retakes

SchoolCraft Studios will provide an opportunity for underclassmen to have their photo retaken on Thursday October 29 and Friday October 30. Emails and announcements will be made to inform students.

Seniors

Portraits

Appointments for senior portraits were held by SchoolCraft Studios (<https://schoolcraftstudios.com>) during the end of the school year. If you missed your appointment or would like a retake, please email us and contact the photographer ASAP at 973-579-0005. Your final pose must be chosen online through the photographer's website by December 1st. If you wish to submit your own photograph, please email us and provide a wallet sized photo to scan for the November break. Depending upon the amount of seniors that need their photos taken, the photographer may come to High Point to provide a day of portraits in September.

Senior Superlatives

Each senior will be invited to submit their choices for a variety of awards from "Best Smile" to "Most Likely to Write a Best-Seller." We will use a Google Survey to collect everyone's vote. We expect to make the voting form available in February.

Senior Biographies

Each senior will be invited to submit a senior biography to be included within the senior section of the yearbook. We expect to make the form available during March.

Senior Ads

To purchase a spot in the yearbook to congratulate a graduating senior, we have two ways to submit a senior ad: Via Email or Via Mail Delivery. There is limited space in the book, so the ads will be entered in the order in which payment is received. Friends and family are welcome to submit an ad. We suggest that you share this website with them so that they can read all of the directions. More information to be posted at a later date.

Order a Yearbook

Sales

All ordering of our yearbooks are done through the publishing company, TreeRing. You can order online or by calling their customer service number. Information will be provided via school email, this website, and social media accounts. Parents and students will be receiving an email from TreeRing about setting up your online account as long as your email is registered with our school computer system: Genesis. Yearbooks will be sold for \$51.83. There will be a sales on the yearbook depending upon when you order. One benefit to using SchoolCraft Studios is that you can order the current's years book for years to come.

Customized Pages

TreeRing provides each students with a free set of customizable pages that will be printed for your student's book only. High Point is requesting that these not be used for a parent message to replace senior ads. The school will be checking the customizable pages in March when we close this option. All materials uploaded onto these pages will be reviewed and approved by the staff and run by administration if deemed necessary.
