Start Strong Assessments are very brief and will provide immediate feedback in an effort to identify learning needs following an extended period of remote learning. These assessments also fulfill federal accountability requirements.

LinkIt Benchmarking: Delivered under the direction of classroom teachers, all students will complete *LinkIt* benchmark assessments to identify ability, target instruction and measure improvement. These internal assessments are diagnostic, administered at High Point's discretion, and do not become part of a student's transcript.

NJSLA are required by the NJDOE for all students enrolled in *English 9, English 10* and *English 11; Algebra I, Algebra II. Additionally, all 11th grade students take the NJSLA-Science regardless of whether or not they are enrolled in a science class.* These assessments also fulfill federal accountability requirements.

PSAT's are being administered to all 10th-grade and 11th-grade students. This assessment is provided at no cost to students, and is being administered at High Point's discretion.
