ATHLETIC COMPETITION

The Board of Education recognizes the value of athletic competition as an integral part of the total school experience. Game activities and practice sessions provide opportunities to learn the values of competition and good sportsmanship.

For the purposes of this Policy, program of athletic competition includes all activities relating to competitive sports contests, games, or events or sports exhibitions involving individual students or teams of students when such events occur within or between schools within this district or with any schools outside this district. The programs of athletic competition shall include, but are not limited to, high school interscholastic athletic programs, middle school interscholastic athletic programs where school teams of squads play teams or squads from other school districts, intramural athletic programs within a school or among schools in the district and any cheerleading program or activity in the school district.

Eligibility Standards

A student who wishes to participate in a program of athletic competition must submit on a form provided by the district, the Athletic Participation form, the signed consent by both the athlete and his/her parent. The consent of the parent of a student who wishes to participate in a program of athletics will include an acknowledgement of the physical hazards that may be encountered in the activity.

Student participation in a program of athletic competition shall be governed by the following eligibility standards:

1. To be eligible for participation in the interscholastic athletic program of a New Jersey State Interscholastic Athletic Association (NJSIAA) member school, all high school students must meet, at a minimum, all the eligibility requirements of the Constitution, Bylaws, and Rules and

Regulations of the NJSIAA. In order to be eligible for any extra-curricular activity and/or interscholastic athletic program at High Point, students must have earned 30 credits in the previous academic year. Eligibility is reviewed after the first semester at which time students must have passing averages in classes totaling 30 credits.

Home schooled children are eligible to participate in the high school interscholastic athletic program of this district only if the school district, the parent/guardian, and the home-schooled child comply with the guidelines, constitution, Bylaws, Rules and Regulations of NJSIAA, and the policies and regulations of the Board of Education.

2. A student in any grade must maintain a satisfactory record of attendance to be eligible for participation in school district sponsored programs of athletic competition. An attendance record is unsatisfactory if the number of unexcused absences exceed those specified in the school attendance policy prior to the student commencing participation in the school sponsored programs of athletic competition.

A student who is absent for a school day may not participate in the school district sponsored athletic/sports program -scheduled for the afternoon or evening of that school day. Students arriving to school after 11:15 a.m. and students leaving before 11:15 a.m. are considered absent for that school day.

A student who is serving an in-school or out-of school suspension may not participate in the school district sponsored athletic/sports program while serving the suspension.

3. A student in any grade who fails to observe school rules for student conduct may forfeit his/her eligibility for participation in school district sponsored programs of athletic competition.
4. No set rules and consequences can completely cover all situations that students may become involved in whether in school, while representing High Point Regional High School, at school functions or in the community. When situations occur of such an egregious nature or

criminal activity in or out of school, the administration may address the matter in a disciplinary manner. The school administration reserves the right to adjust the consequences based on the severity, complexity or legality of the action. Although discipline infractions and consequences are expressed in a recommended progression under normal circumstances, the sequence may be altered or advanced based on the severity of the situation.

Notice of the school district's eligibility requirements shall be available to students.

Required examinations - Interscholastic or Intramural Team or Squad

Students enrolled in grades six to twelve must receive a medical examination in accordance with the provisions of N.J.S.A. 18A:40-41.7, prior to participation on a school-sponsored interscholastic or intramural team or squad and any cheerleading program or activity.

The examination shall be conducted within 365 days prior to the first day of official practice in an athletic season with examinations being conducted at the medical home of the student. The "medical home" is defined as a health care provider and that provider's practice site chosen by the student's parent for the provision of health care pursuant to N.J.A.C. 6A:16-1.3. If the student does not have a medical home, the district will provide the examination at the school physician's office or other comparably equipped facility. The parent may choose either the school physician or their own private physician to provide this medical examination. The medical examination required prior to participation shall be in accordance with the requirements as outlined in N.J.A.C. 6A:16-2.2(h)1 and Regulation 2431.2 and shall be documented using the Preparticipation Physical Evaluation form required by the Department of Education. The school physician must review and accept the physical examination in order for the student to be eligible to participate.

The school district shall distribute the Commissioner of Education developed sudden cardiac arrest pamphlet to a student participating in or desiring to participate in an athletic activity, as defined in N.J.S.A. 18A:40-41.e., and the student's parent(s) shall each year and prior to participation by the student in an athletic activity comply with the requirements of N.J.S.A. 18A:40-41.d.

The school district shall annually distribute the Commissioner of Education developed educational fact sheet relative to use and misuse of opioid drugs for sports related injuries to parents of students who participate in athletic activities and comply with the requirements of N.J.S.A. 18A:40-41.10.

Information concerning a student's HIV/AIDS status shall not be required as part of the medical examination or health history pursuant to N.J.S.A 26:5C-1 et. seq. The health findings of this medical examination shall be maintained as part of the student's health record.

Emergency Procedures

The Athletic Trainer shall be present at home contests. The Athletic Trainer and the athletic coaches shall be trained in first aid, to include sports-related concussion and head injuries, the use of a defibrillator, the identification of student athletes who are injured or disabled in the course of any athletic program or activity, and any other first aid procedures or other health related trainings required by law or the Superintendent.

The Superintendent shall prepare and present to the Board for its approval procedures for the emergency treatment of injuries and disabilities that occur in the course of any athletic program or activity. Emergency procedures shall be reviewed not less than once in each school year and shall be disseminated to appropriate staff members.

Interscholastic Standards

The Board shall approve annually a program of interscholastic athletics and shall require that all facilities utilized in that program, whether or not the property of this Board, properly safeguard both players and spectators and are kept free from hazardous conditions.

The Board adopts the Constitution, Bylaws, Rules, and Regulations of the New Jersey State Interscholastic Athletic Association as Board Policy and shall review such rules on a regular basis to ascertain they continue to be in conformity with the objectives of this Board.
