Dear Students and Parents,

High Point will be administering the PARCC to most 9th, 10th and 11th grade students, and to a small number of 12th grade students, on the following days:

English Language Arts: May 16, 17, 18; Mathematics: May 22, 23, 25 (No PARCC test May 24th)

The PARCC is an end of course assessment, taken by all students enrolled in any of the following six courses: **English 9, English 10, English 11; Algebra I, Geometry, Algebra II.**

Our approach to administering PARCC will be very similar to last year. Students will take one “unit” per day for six days. Each “unit” will take students approximately 90 minutes to complete.

TESTING SCHEDULE:

On test days PARCC will be given in the morning, followed by a modified schedule with four instructional periods and Unit Lunch. A detailed schedule is enclosed.

SENIORS:

During each of the six test days all 12th grade students who are not testing will have a **delayed opening, arriving at school at 9:00 a.m.** Seniors will report to the auditorium until testing has ended.

STUDY HALL:

A supervised study hall will be available for students who are not testing, but are present during PARCC administration.

For more information about the PARCC please visit these resources:

www.parcconline.org. <http://www.nj.gov/education/sca/parcc/>

We believe in the quality of this assessment, and we are pleased that it will cause very little disruption to our regularly scheduled instruction. On behalf of High Point Regional High School, I ask for your support regarding PARCC. If you have any questions please do not hesitate to contact me.

Sincerely,

Seamus W. Campbell
