

List of SCCC CEP Courses for Fall and Spring

Please review the chart below for the concurrent enrollment Fall and Spring Semester Course offerings and their placement tests / final exam requirements.

If you took the SATs and earned the following scores: **Reading - 450 or higher, Math - 500 or higher**, you may be waived from some of the placement tests. ***If you registered for Pre-Calculus or any of the Physics classes**, you are required to take the CLM test regardless of your math SAT score.

If you have not taken or met the SAT score criteria, you must take and receive a passing score on the appropriate Accuplacer Placement Tests. There is **no** charge for the initial testing. Tests may only be taken twice and there is a \$10 charge if you retest at the community college.
