

Introduction to The Nurtured Heart Approach to Parenting

Presented by Christie Farber, Certified Nurtured Heart Approach Trainer

Join us for an introduction to The Nurtured Heart Approach,® a relationship-focused methodology founded strategically in The 3 Stands™ for helping children (and adults) build their Inner Wealth® and use their intensity in successful ways. It has become a powerful way of awakening the inherent greatness in all children while facilitating parenting and classroom success.

Discover how this method has helped thousands of families, educators, and child advocates channel a child's intensity in beautifully creative and constructive ways.
