

HIGH POINT REGIONAL HIGH SCHOOL AP BIOLOGY SUMMER ASSIGNMENT -2011

Welcome to A.P Biology! Students taking this course should have met with me to obtain a book.

I will be sending an email to your HP email account. Please check for it. You **must respond** to this email and register. PLEASE use your **real name** to identify yourself. This information is for my use only and will not be distributed to anyone. In addition, I will be sending you instructions on how to log in and access the textbook website.

Part I:

Please read chapters 50 - 53. Prepare a detailed **hand written** outline for each chapter. You will be **tested** on chapters 50-53 during the second week of school. Use the textbook website to review. In addition, I will review key material during the first two weeks of school.

Please submit all work for these chapters by Friday, July 22nd, 2011 (no later than 12 noon). You can bring your work to school and put in into my mailbox or mail it to:

**High Point Regional High School
299 Pidgeon Hill Road
Sussex NJ 07461
C/O Mrs. Madelaine Travaille**

Part II:

Please read Chapters 1, 2 and 3 and prepare a detailed **HAND WRITTEN** outline for each chapter. Bring this assignment in on the first day of school. Log in to the textbook and complete the "**activity quiz**" for chapter 1, 2, 3. Please complete this **before** the first day of school.

Reading tips:

1. Take notes that make sense. **Define** key terms and give **examples** of each.
2. Look for trends in the material you are reading; Especially the references to evolution.
3. Try to link concepts from one chapter to the next, looking for the ten unifying themes identified in chapter one.
4. Check out www.collegeboard.com/apcentral
5. **Enjoy the summer!**

Thank you -Mrs. Madelaine Travaille
