2022-23 School Profile

HIGH POINT REGIONAL HIGH SCHOOL is a high-performing, nationally recognized school of excellence that is committed to fostering individualized success for every student. Located 63 miles northwest of Manhattan in bucolic Sussex County NJ, High Point serves students from six municipalities: Branchville, Lafayette, Frankford, Montague, Sussex, and Wantage. High Point students choose from a multitude of educational opportunities including 28 Advanced Placement courses, as well as a wide variety of honors and college preparatory offerings that enable our students to compete for admission to the most selective colleges in the nation. Our curriculum is supplemented by a wide variety of online courses via the High Point Virtual Academy, career-focused internships, independent studies, and concurrent enrollment opportunities with four regional colleges and universities. High Point offers the AP Capstone Diploma Program comprising the AP Seminar and AP Research courses.

Class of 2021: Mean SAT Score: 1095. 31 students (16%) were named to the College Board's AP Honor Roll. 13 students are competing in the NCAA, and 88% are attending an institution of higher education.

High Point's enrollment for 2022-23 is 817 students, 233 of whom are in the Class of 2023.

RECOGNITION

- National Blue Ribbon School of Excellence
- College Board AP Honor Roll
- Host of Rutgers Waksman Summer Institute
- TTEEA Program of Excellence Award
- VEX Robotics State & Regional Champions

STUDENT LIFE

Students participate in 32 co-curricular clubs and activities. 23 varsity teams compete in the NJSIAA and NJAC. High Point artists, authors, and musicians showcase their talents in local invitationals, as well as, on stage at Carnegie Hall. Service Learning projects are embedded throughout High Point's curriculum. Through structured service projects, students engage with members of their community and build social awareness.

HIGH POINT FACULTY AND STAFF

144 enthusiastic and caring staff members maintain a safe and supportive learning environment committed to the proposition that all students can, and should, be lifelong learners. An integrated and aligned vision has been implemented to focus on student achievement through our commitment to academic rigor, real-world applicable relevance, and the fostering of relationships. High Point's curriculum and instruction are aligned to the New Jersey Student Learning Standards. High Point's faculty collaborates via professional learning communities (PLC's) to map the standards-based curriculum in Understanding by Design format utilizing Rubicon Atlas. Several members of the High Point faculty also hold university teaching appointments. High Point teachers frequently present at regional and national professional development conferences, as well as, serve as AP Readers for the College Board. Seventy-seven percent of the High Point faculty hold an advanced degree.

TECHNOLOGY AT HIGH POINT

To better facilitate project-based learning, authentic assessment, and blended learning opportunities, High Point became a fully integrated BYOD and Google for Education campus in 2014. High Point has a Respectable Use Policy that grants all students access to the district's state of the art WiFi network. Beginning in the Fall of 2020 High Point became a fully 1:1 district with the distribution of a Chromebook device to every student. The use of hybrid/remote instruction related to the COVID-19 pandemic clearly influenced this aspect of our technology plan. High Point's teachers and administrators are recognized throughout the region for their progressive integration of a wide variety of instructional technology strategies and platforms. The 2018 EdCampHAT (Humanities and Technology) was attended by over 80 educators from 13 school districts and three states.

HIGH POINT MISSION

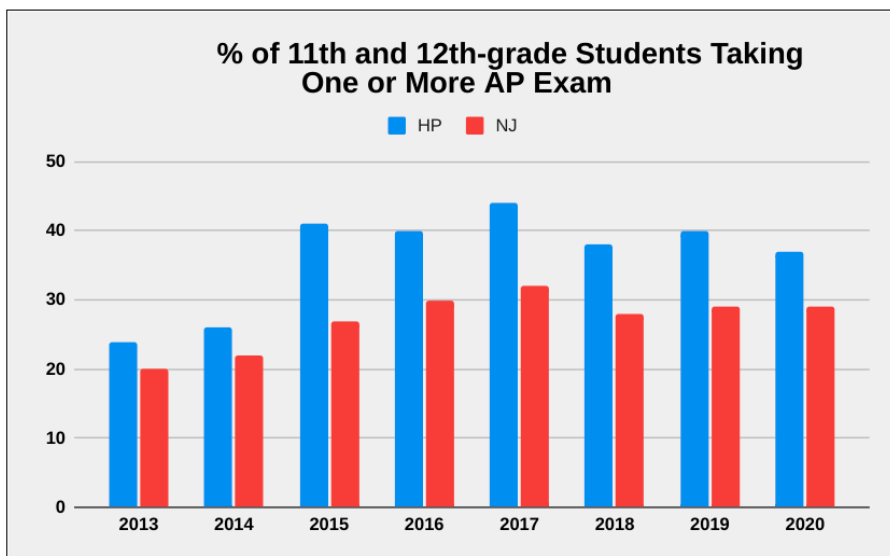

High Point Regional High School, in partnership with staff, family and community, is dedicated to the quest for individual excellence. By fostering high standards of achievement, we prepare students to become responsible and productive members of a diverse society.

SAT PERFORMANCE

2022-23 GRADUATION REQUIREMENTS

135 Credits; Requirements Include: 20 Credits English/Language Arts; 15 Credits Mathematics (including Algebra I & Geometry); 15 Credits Social Studies; 18 Credits Natural or Physical Science (including Biology); 5 Credits World Language; 3.75 Credits Health/Physical Education for each year of enrollment; 5 Credits Technology; 2.5 Financial Literacy; 5 Credits Visual/Performing Arts; 5 credits STEM (Science, Technology, Engineering, Math), 30 elective credits.

GRADING SCALE and G.P.A.

Each final grade a student earns is directly multiplied by a weight factor and credits are applied. GPA is based on the 100 point numerical scale; however, the weight factors convert the grade point average into values which correspond with the traditional 4.0 weighted scale as per the chart below.

Course Weights

AP	5.15
Honors	4.95
College Prep A	4.5
College Prep B	4.15
College Prep C	4.05
General	4.0

CLASS RANK

Students are ranked according to their cumulative weighted grade point average. In order for a student's GPA to be counted toward class rank, the student must have enrolled at High Point Regional High School prior to the second semester of their junior year. Students attending a foreign exchange program or alternate placement will not have those grades factored into the GPA/Class Rank.

Curriculum:

High Point's curriculum is structured within a Pathways construct. Our five Pathways are: Business & Human Resources, Law & Government, Media & the Arts, Systems & Sustainability and STEM. Pathways provide students the opportunity to build a personalized program of studies aligned with possible college and career interests. By clustering related courses together, students will gain an enhanced appreciation for how their coursework at High Point relates to their future.
