December 4, 2023

Dear High Point Community:

High Point is a proud participant in the New Jersey Interdistrict School Choice program. We are humbled by the significant number of families from Sussex County and the surrounding area who continue to seek the opportunity to have their children attend our school. Although we wish we were able to accommodate every Choice request, we have been assigned a limited number of Choice seats by the New Jersey Department of Education. Also, we are committed to granting preferential status to applicants who already have a sibling attending High Point as a Choice student, as well as applicants who are completing the eighth grade as a Choice student at one of our sending districts.

On **Wednesday, December 20, 2023 at 10:30 a.m. in the Board of Education Building**, High Point will conduct a random lottery to determine the order in which we will offer Choice seats for the 2024-25 school year. The lottery will determine the order in which attendance spots will be offered to Choice applicants, when and if an open seat becomes available. This lottery will be open to the public. Parents of Choice applicants are **not required** to attend the public lottery, but they are certainly welcome to do so. Parents of Choice applicants will be notified of the results of the lottery via email by the end of the business day on December 21, 2023.

Please feel free to contact me at any time if you have any questions or concerns.

Sincerely,

Seamus Campbell
