R 8140 ENROLLMENT ACCOUNTING

A. School Enrollment

1. The school enrollment in a program of instruction, a school, or the district shall be the total number of original student entries in the school register plus the number of re-entries, less the number of transfers, withdrawals, or dropouts in any such unit during a school year. The total number of original entries and re-entries, less the number of transfers, withdrawals, or dropouts, in all programs of instruction and schools of the district shall constitute the school enrollment for the district during any school year.
2. A student attending a school operated by the Board of Education shall not be concurrently enrolled in more than one school register in any district during a school year with the exception of shared-time students.
3. A student shall not be enrolled in a school register until the student has reached over the age of five years in accordance with N.J.S.A. 18A:38-1 - Attendance at School Free of Charge. The district may enroll students under the following legal school ages:
 - a. Kindergarten – older than four years and younger than six years;
 - b. State-funded preschool program – at least three years of age and younger than five years; and
 - c. Preschool students with disabilities – at least three years of age and younger than five years.
4. Within ten school days of the start of the school year, the district shall determine whether a student who attended the previous year but not

the current school year has an excused absence or has transferred, withdrawn, or dropped out of the school district.

5. Any student enrolled in the district who moves to another school district in the same school year shall be included in the school register in the new school district upon enrollment.
6. The average daily enrollment in the district for a school year shall be the sum of the total days in membership of all enrolled students when schools were in session during the year, divided by the number of days in session. The average daily enrollment for the programs of instruction or schools of the district having varying lengths of terms shall be the sum of the average daily enrollments obtained for the individual programs of instruction or schools.
 - a. “Days in membership” means the number of school days in session in which a student is enrolled. A student's membership begins on the first possible day of attendance following enrollment during the school year, notwithstanding the actual day the student was recorded as present for the first time.

B. Application for State School Aid

Pursuant to the requirements of N.J.S.A. 18A:7F-33, the district shall file with the Commissioner of Education an Application for State School Aid in accordance with the following procedures:

1. Counting Procedure
 - a. Each employee responsible for the maintenance and safe keeping of a school register (and whose name appears on the cover of the register) shall conduct a count of the students entered in the register on the last school day prior to October 16.
