ASVAB	TBD	Morning	https://www.asvabprogram.com/

***Students with an Individualized Education Plan or 504 plan** will be provided with appropriate accommodations on all assessments.

Start Strong Assessments are very brief and will provide immediate feedback in an effort to identify learning needs following an extended period of remote learning. These assessments also fulfill federal accountability requirements.

IXL Benchmarking: Delivered under the direction of classroom teachers, all students in grade 9 and 10 will complete IXL benchmark assessments to identify ability, target instruction and measure improvement. These internal assessments are diagnostic, administered at High Point's discretion, and do not become part of a student's transcript.

PSAT's are being administered to all 11th-grade students. This assessment is provided at no cost to students, and is being administered at High Point's discretion.
