**IXL Benchmarking:** Delivered under the direction of classroom teachers, all students in grade 9 and 10 (some grade 11 in Math) will complete IXL benchmark assessments to identify ability, target instruction and measure improvement. These internal assessments are diagnostic, administered at High Point's discretion, and do not become part of a student's transcript.

**PSAT's** are being administered to all 11th-grade students on 10/10/24. Seniors may arrive at 9:30 a.m. Freshmen and Sophomores will follow a regular bell schedule. This assessment is provided at no cost to students, and is being administered at High Point's discretion.
