The Board of Education shall, in accordance with State statutes and administrative code and Federal law and regulations, strive to overcome the effects of any previous patterns of discrimination in school district employment practices and shall systematically monitor school district procedures to ensure continuing compliance with anti-discrimination laws and regulations.

The Board will ensure all persons regardless of race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, gender, gender identity or expression, religion, disability, or socioeconomic status shall have equal and bias-free access to all categories of employment in the public educational system of New Jersey, pursuant to N.J.A.C. 6A:7-1.1.

The Board will not enter into any contract with a person, agency, or organization that discriminates on the basis of race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, gender, gender identity or expression, religion, disability, or socioeconomic status, either in employment practices or in the provision of benefits or services to pupils or employees. In addition, the Board will encourage minority businesses, women's business enterprises, and labor surplus area firms to submit bids to be considered for the awarding of contracts.
